

Fan Heater with Thermostat

Saginaw Control & Engineering's Fan Heater with Thermostat is designed to protect electrical controls, instruments and sensitive components from low temperatures and the effects of condensation and corrosion by maintaining a stable temperature within the electrical enclosure. These heaters are not intended for use in hazardous, wet, dusty or dirty locations.

Product Attributes:

- Aluminum housing
- Thermostat range 0 to 100F (-18 to 38C)
- Heat discharge at the top of the heater
- Panel mount
- Air volume of 16 CFM on 125 & 200 Watt heaters
- 26 CFM on 400 & 800 Watt heaters
- Heat indicator light
- Switch for Auto or Fan
- Brushed aluminum finish

Industry Standards:

- UL Recognized
- CSA Approved
- CE

Saginaw Control & Engineering, an ISO 9001:2000 Certified Company, has been serving the electrical industry since 1963. We specialize in manufacturing both standard stock and custom designed enclosures as well as precision sheet metal fabrications. Our 255,000 square foot manufacturing and warehouse facility, located in Saginaw, Michigan, uses state of the art fabricating equipment including the newest laser technology. All products are protected with the highest quality paint and powder finishes available in today's market.

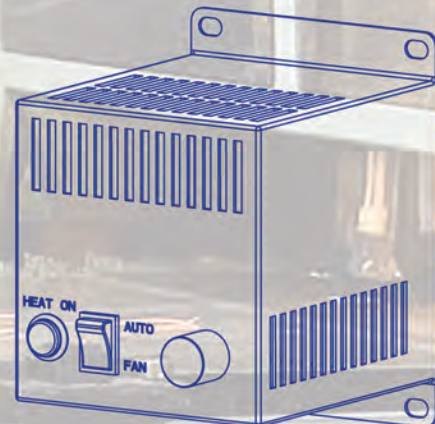

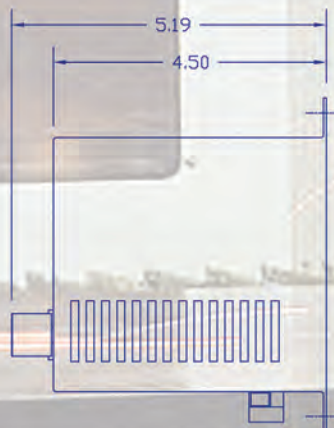

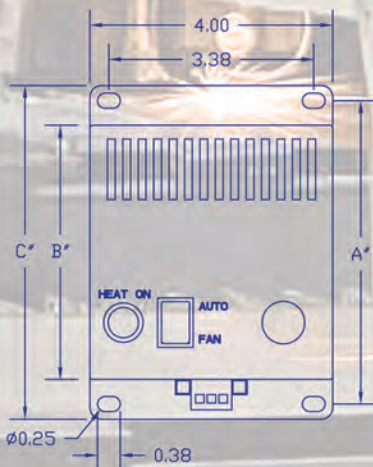

In addition to our manufacturing facility and warehouse, SCE has distribution centers in Aurora, Ohio, Kenosha, Wisconsin and Lenoir City, Tennessee. All locations are 30,000+ square feet and are conveniently located to serve enclosure customers throughout the U.S.

To obtain more information about SCE and our products, please visit our Internet site at <http://www.saginawcontrol.com>. This site includes new product information, complete list of stock part numbers, drawings of stock parts for you to download, list prices, Installation Manual and other SCE news.

SCE supplies top quality products built to accurate dimensions. From concept to completion, the SCE staff will work with you to satisfy your enclosure requirements.

Whether you require a standard stock enclosure or a custom built enclosure, SCE can be *Your Enclosure Source*®.
